

START TALKING BEFORE THEY START DRINKING

**My name is Peter,
and in eight years I'll be an alcoholic.**

*I'll start drinking in middle school, just at parties.
But my parents won't start talking to me about it until
high school. And by then, I'll already be in some trouble.
The thing is, my parents won't even see it coming.*

**Kids who drink before age 15 are 5 times more likely
to have alcohol problems when they're adults.**
